PRIMEtime Series Two

Session 3: ADR in a Pandemic

Market volatility prompted by the pandemic has led to the collapse of several financial institutions. On October 27, 2020, Rick Grove and his co-panelist, The Hon. James Peck, discussed how an ad hoc ADR mechanism was developed to successfully – and quickly - resolve claims between a hedge fund and a number of the fund’s bank creditors. Stanford Professor of Finance Darrell Duffie provided introductory remarks.
